***Little Women* by Katy Hamill**

West Coast Premier

Louisa May Alcott’s classic novel of the March sisters is beloved by generations of readers. Now her heartfelt story of Jo March and her three unforgettably distinct sisters, Meg, Beth, and Amy, comes to the stage in a brand-new version that honors the spirit of Alcott’s original while freshly interpreting it for a new era. The Wall Street Journal named the prolific and widely produced Kate Hamill Playwright of the Year. Her sparkling adaptation will have audiences falling in love with the March sisters all over again as they grow from young girls to little women.
